Comments:

Attached is an agenda for the upcoming meeting of the San Gabriel Perchlorate Coordinating Team meeting on **Thursday, November 5, 1998, at 9:30 a.m.** at the City of Azusa's Light & Water Building, 729 North Azusa Avenue, Azusa, CA 91702. Subsequent to the meeting, we will tour the ion exchange pilot testing at the Big Dalton Well site. Due to space limitations, a tour of JPL's pilot testing has been scheduled only for out-of-town attendees. Tours will be scheduled for other interested parties during the meeting.

If you have any questions, please call me or Rick Sase at (626) 815-1300.
